To Whom It May Concern:

I have known Abobakr Hussein Mohamed Kamal IBRAHIM for nearly two academic semesters in my capacity as a lecturer at Isik University. Abobakr took courses from me and was satisfactory. He is a hard studying student. Based on Student's grades, attendance, and class participation, I'd rate his academic performance in my class as satisfied. Additionally, he was very elaborate in preparing his homework and worked very organized and time targeted.

The student has a number of strengths to offer an organization. He is always interested in collaboration. The student is also a fast learner and able to apply his learnings to real life. He is also a well-mannered gentleman.

In conclusion, I would highly recommend Abobkar, he will be an extremely positive addition to your organization. If you need any additional information, feel free to contact me by email anytime.

Sincerely,

Asst. Prof. Selden Çepni
